

LIONS CLUBS INTERNATIONAL DISTRICT 105BS
District Governor 2010-2011
Lion Tony Gadsby

Fellow Lions

Your District Governor has kindly given permission to circulate this appeal to District 105BS

My name is Bill Jones, Health and Welfare Chair for 105BN.

I am writing to you, making a plea on behalf of the Disability Sport Event (D S E) which is a national sports organisation, which Lions clubs throughout the country have supported for many years.

This organisation operates throughout the country and covers amongst others athletics and swimming. At the athletic games I have seen competitors attending from as far apart from Wick in Northern Scotland to Cornwall.

The national athletics games take place over the weekend 9th - 10th July this year at a new venue, University of Central Lancashire, Preston, and athletes from these games, together with those from swimming competitions go on to represent this country in the Paralympics.

This is a truly worthwhile organisation, and in this extremely difficult financial climate, they are experiencing great financial problems and they have come to rely greatly on the annual donations (last year MD raised £8,000) which is donated by the District Governor of 105BN during the games.

PLEASE could clubs within your Districts consider making a donation to ensure that the D S E sports events continue?

Donation can be sent to the District Treasurer of 105BN (Lion Beryl Kissane, 8 Hanwell Close, Pennington, Leigh, Lancashire, WN7 3NU) marking the reverse of the cheque Disability Sport Event.

I know you will give this email your full consideration and I hope that you will look favourably on this request and pass it on to the clubs in your district.

We have GOT to keep this organisation going for the sake of all the competitors who participate in and get so much enjoyment from.

Thank you in anticipation of your help and co-operation

Regards

YIL
