District Convention 2012

Host Chairman's Blog.

January 2012

When we set out to plan our invitation to District to attend Beaufort Park Hotel for this year's District Convention it seemed we had all the time in the world to get it organised.

But.....here we are, getting very close to the big weekend. Nearly everything is in place: we have full houses for the two evening events and expect to see a full hall for the business session.

I thought it might be helpful this month to give some travel directions for those who do not know the Beaufort Park Hotel. It is in the village of New Brighton, a mile outside Mold. For the sat-navites amongst you, the postcode is CH7 6RQ.

If your journey brings you into Mold from the Denbigh, Ruthin or Wrexham areas, follow the signs for Queensferry, leave Mold on the A5119 and in one mile see the hotel on your left, situate on a crossroads controlled by traffic lights.

If from the same areas you leave Mold on its by-pass (A494), at the Shell filling station roundabout, merging with A5119, take first exit for Mold and see hotel on your right at the traffic lights.

Travelling from the Wirral on the A550 or along the M56, join the A494 at Queensferry following "Conwy": keep on the A494 at Junction 33B immediately after merging with A55 (follow "Mold") In 2 miles, at Shell filling station roundabout, take second exit A5119 and see hotel on your right at the traffic lights.

If travelling on A55 from North Wales, leave A55 at junction 33: follow A5119 through Northop and Sychdyn and at traffic lights after Sychdyn, turn left: find hotel on your left in one mile at the traffic lights.

We look forward to seeing you and entertaining you during your stay. For further information, see the earlier blogs on this site but, if you are reading this off-site, visit us at www.flintlions.org.uk
